The Power to Surprise

The New Kia

SORENTO

Ready to go the extra mile

The New Kia Sorento opens up a thrilling new chapter in SUV enjoyment. The Kia Sorento comprises of 5 models – the 'KX-1', 'KX-2', 'KX-3', 'GT-Line' and range topping 'GT-Line S' all of which boast 7-seat space, intelligent all-wheel-drive and superb standard features. It's our answer to those who don't just go for the norm, but always expect a little more. The Sorento's striking design, cutting-edge technology and absolute commitment to quality is all part of one aim: to make each and every journey as exciting as possible.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

The Kia 7-year warranty
The Kia warranty covers your new Sorento for 7 years.

QUALITY

A rock-solid promise

There's no doubt that an SUV commands a certain respect for its robust appearance and dimensions. But size isn't everything. Take a look around the New Sorento, and you'll discover the kind of attention to detail and workmanship that makes this SUV the perfect ambassador for Kia's eye-catching design and new technology. And, just as you would expect, a car as well crafted as this also comes with Kia's pioneering 7-year warranty.

EXTERIOR DESIGN

Lights up any day

In the New Kia Sorento, you'll find plenty of intelligent thinking, all wrapped up in a sleek and muscular design. At the front, the distinctive Kia tiger nose grille truly stands out with a stylish graphite chrome surround with metallic-effect stamping ('KX-2' and above), framed by wrap-around LED headlights ('KX-3' and 'GT-Line S') and prominent fog lights. The long bonnet, low roofline and swept-back silhouette all contribute to the dynamic proportions. It's beautifully complimented by the striking LED rear combination lights ('KX-3' and above). You'll see, the New Sorento has a more sophisticated and purposeful front-end appearance.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

INTERIOR DESIGN

Wrap-around intelligence

The wide horizontal layout of the cabin instantly feels welcoming. From the flowing contours, reaching across the dashboard to the air vents and sculpted door trim, every detail is designed to wrap around the driver. The ergonomic design is also enhanced by quality soft touch materials and distinctive satin-chrome surrounds. Notice the newly-designed steering wheel and driving instrument cluster as well as a new climate control LCD display ('KX-2' and above). These features plus the increased soft touch materials and leather upholstery ('KX-2' and above) result in a more premium cabin ambience.

7" LCD full colour cluster display
Lots of useful trip information, all brought together in one crisp, high-visibility display – from outside temperature, and turn-by-turn directions (available on 'KX-3' upwards) to distance to empty.

Satin-chrome finish
Eye-catching craftsmanship: you'll find satin finish door interior handles (on the 'KX-2' upwards), air vent surrounds, and on both centre and floor consoles.

Wireless mobile phone charger ('KX-3' and 'GT-Line S')
Charge compatible mobile phones wirelessly – and effortlessly – by placing them on the charging pad at the front of the centre console.

Rear manual air conditioning and power supply
Rear passengers can adjust airflow via the controls mounted at the back of the floor console. A USB charging port and 12V outlets are also available for your portable devices.

TECHNOLOGY & CONNECTIVITY

Inspired, relaxed and firmly in control

The New Kia Sorento is packed with solutions to turn each and every journey into a truly fantastic driving experience.

8" Touchscreen Satellite Navigation with European Mapping and Traffic Messaging Channel (TMC) – 'KX-2' upwards
If you want to take in-car entertainment to the next level, enjoy the large high-definition 8" LCD touch screen. It also houses a Harman Kardon™ (available on 'KX-3' and 'GT-Line S') sound system complete with ten speakers and an amplifier, as well as a rear-view camera display and a shark fin antenna.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range. Some parts of the leather upholstery contain faux leather.

CABIN COMFORT

Comfort you'll want to share

There's no limit to enjoying your spacious new Kia Sorento. It all begins with the ergonomic, comfortable and highly versatile seats on this spacious 7-seater model. The 'KX-3' and 'GT-Line S' models also boast a panoramic sunroof with automatic electric one touch roll blinds with safety function enabling you to let fresh air into the cabin on the move.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range. Some parts of the leather upholstery contain faux leather.

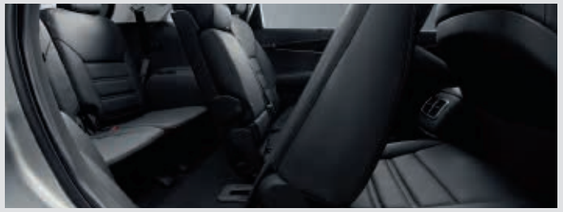
10-way driver's seat adjuster

Seven seats for maximum flexibility
Fold the rear seats partially or fully to create numerous seating and cargo combinations.

3rd row partially folded

3rd row folded fully flat

3rd row folded fully flat and 2nd row partially folded



Ease of entry and exit
The second row seat auto-folds and slides 270 mm for easy access to the third row.

Heated front seats ('KX-2' upwards) and Ventilated front seats ('GT-Line S')
Comfortable whatever the weather: when it's cold outside, the 2nd row outer rear seats cushions and backrests can be heated (From 'KX-2' upwards). On warm days, the driver and front passenger can enjoy seats with ventilated seat cushions and backrests.

Driver's seat cushion extension
The Sorento also looks after taller drivers: at the push of a button, the driver seat cushion can be extended for greater comfort.

DRIVER ERGONOMICS & VERSATILITY

Maximise the space within

Whatever you've got planned and whatever you want to carry, the Sorento comes well prepared. It can be transformed quickly from a 7-seater to a generous luggage hauler. That's what we call everyday versatility and comfort.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

2nd row backrest lever

Cargo screen storage compartment

2nd row backrest lever
For easier folding without the need to open the rear door, each side of the cargo area has a remote folding lever for the 2nd row backrests.

Cargo screen storage compartment
Stow larger valuables under the retractable screen out of view in a separate, partitioned-off area.

Tailgate memory function
A great help for effortless loading: opening angles for the tailgate can be stored to suit different driver's height, with a memory button under the tailgate – simply press and hold the button for three seconds.

INTERIOR PRACTICALITY & CARGO SPACE

Flexible, generous, open-minded: a truly welcoming character

The New Sorento does not shy away from bulky luggage. In fact, flexibility is key to accommodating a wide range of items and uses. It even comes with roof rails to help free up valuable space within the cabin if you need to transport heavy or bulky items.

Remote Smart Key

Smart power tailgate
Ideal when you've got your hands full: the tailgate opens automatically when the smart key ('KX-3' and 'GT-Line S') is detected behind the back of the car for three seconds, and closes with a simple push of a button.

Self-levelling suspension
When you're transporting heavy items, the self-levelling suspension is raised to the optimum height to ensure maximum stability and clearance ('KX-2' and above).

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

DRIVING PLEASURE

All-wheel drive for all-round driving pleasure

Inspired by rugged terrain, the New Sorento's All-Wheel-Drive technology is designed to make everyday driving more comfortable. Innovative, continuously active All-Wheel-Drive ensures the Sorento maintains excellent traction on rough, loose or slippery surfaces and helps improve lateral stability when cornering.

dynamax AWD
True AWD. Continuously thinking forward.

The intelligent Dynamax™ All-Wheel-Drive (AWD) system, developed in conjunction with Magna Powertrain, continuously monitors driving conditions and anticipates AWD system requirements, sending torque to the wheels that have traction. The system also adds stability in corners and helps eliminate unintended over- and understeer by reducing unwanted traction forces at the front and rear axle. At the same time, it's designed to reduce fuel consumption and emissions.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

POWER & TRANSMISSION

Where efficiency and beauty work hand in hand

The New Kia Sorento provides all the tools for an engaging drive: responsive and agile, diesel engines offer enjoyable mid- and low-range torque as well as smooth and quiet operation. All the while, fuel consumption is kept low, thanks to precise transmissions and excellent aerodynamics with a drag coefficient of just 0.33.

Energy regeneration system
Another clever idea to help you save fuel and reduce CO_2 emissions: when you take your foot off the accelerator and slow down, the new Kia Sorento recaptures this normally lost kinetic energy and uses it to help re-charge the battery. If the battery is already charged, the alternator is decoupled.

The new smart mode is designed to understand and anticipate your steering preferences, automatically switching between Eco, Comfort and Sport modes to ensure your ultimate enjoyment on the road. Smart mode allows the Sorento to adapt to your steering behaviour as road conditions change, pre-empting your preference for different speeds and driving environments. Available for automatic transmission.

6-speed manual transmission
The Sorento's 6-speed manual gearbox offers high torque when accelerating and sporty performance, along with smooth, fuel-efficient gear changes.

Automatic transmission
8-speed automatic transmission provides smooth, seamless gear shift and improved fuel efficiency.

2.2 CRDi diesel engine
Max. power 197 bhp @ 3,800 rpm

Cd **0.33** drag coefficient

'GT-LINE' AND 'GT-LINE S'

The new standard for sophistication

The New Sorento 'GT-Line' is a bold presence on the road, with its dynamic styling, sleek sophistication and premium upgrades. From the comfortable cabin to the striking exterior, you'll find eye-catching and sporty features throughout this stylish model.

Side step
Bold side steps add extra style to the unmistakable exterior.

Twin exhausts
It doesn't get sportier than the eye-catching twin exhausts.

Red brake calipers
Bright red brake calipers add standout style to the wheels – and keep the Sorento's performance capabilities front of mind.

Ice-Cube LED fog lights
Distinctive high-tech LED fog lights with striking ice cube design light your way no matter the conditions – and add to the Sorento's sporty appeal.

Twin exhausts

Red brake callipers

LED fog lights

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

GT-LINE

Dazzling comfort, style and convenience

Soft-touch materials, uncompromising attention to detail and truly sporty design touches – including striking chrome inserts and the GT-Line logo on the seats – ensure that the interior of the New Kia Sorento creates a stylish and impressive looking cabin.

The 'GT-Line' and 'GT-Line S' have a package of sport appearance and performance options designed to accentuate the excitement of –Sorento ownership.

Unique gear shift paddles
Refined, chrome-finished paddle shifters coordinate with the rest of the cabin's design, and allow you to change gears swiftly without taking your hands off the steering wheel. They also boost driving dynamics.

Passenger walk-in
Getting everyone comfortable has never been this convenient. Simply slide and recline the front passenger seat at the touch of a button. The button is within easy reach, and also allows you to adjust the space in the second row to enhance the comfort of your rear passengers.

Gear shift knob
The chrome-finished gear shift is enhanced with refined, soft-touch materials for even more comfortable handling. Notice also the series of satin chrome highlights throughout the interior of the cabin.

Luxurious quilted seats finished in black leather with contrasting grey stitching and 'GT-Line' embroidered emblems.
Black door inserts and black leather seats – with striking grey GT-Line stitching on the front seats – set the tone for a truly sporty ride. Firm support keeps you comfortable, and the GT-Line logo on the seats adds an exclusive touch to the interior.

*Some parts of the leather upholstery contain faux leather

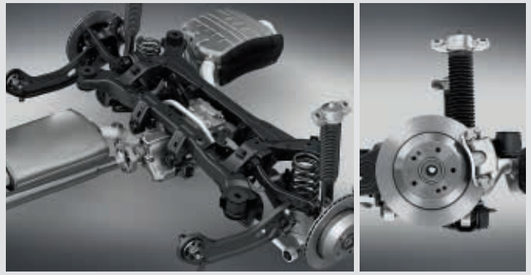
Safety with a sixth sense

Every day the road can present new challenges. The New Sorento is engineered to use its own reflexes to keep you safe and in control when tricky surfaces, inclines, twisting roads and unexpected moves by other drivers put you to the test.

Vehicle Stability Management (VSM)
The system controls brake force, engine torque and steering torque to provide improved vehicle stability when simultaneously braking and cornering – especially on wet, slippery and rough road surfaces.

Hill-start Assist Control (HAC)
HAC prevents the vehicle from rolling backwards when starting on a steep hill.

Downhill Brake Control (DBC)
DBC helps keep you nice and steady – and at a stable speed during steep descents.



Rack-type Motor-Driven Power Steering (R-MDPS)
A firm, solid feel and unprecedented steering response are simultaneously achieved with R-MDPS.

Upright rear shock absorber
A more vertically oriented rear shock absorber system helps to smooth out the effect of uneven surfaces for greater comfort.

When it pays to be tough

The New Kia Sorento has been thoroughly tested in countless crash simulations and collision tests to ensure occupant safety is placed above all else. A safety cage fortified with ultra-high-tension steel as well as a 6-airbag SRS system make a great team for your protection.

52.7% AHSS* used

***Advanced High-Strength Steel (AHSS)**
The Sorento uses more than 52.7% advanced high-strength steel. This exceptional steel reinforces the front, rear and sides, as well as high-stress points throughout the car's body.

Six airbags
The Sorento offers front and side airbags for driver and front passenger, as well as two side-curtain airbags.

Emergency Fastening Device (EFD)
The 1st row seat belts in the Sorento feature an emergency fastening device. It supports the seat belt pretensioner to pull the driver and front-seat passenger more quickly and firmly into their seats for added protection in a collision.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

SAFETY

Awareness, action, protection

Whether it's assisting you with parking, manoeuvring tight spaces or taking corners with added confidence – the Sorento comes with highly refined solutions for a safer journey.

360° Around View Monitor – 'GT-Line S'

Assurance all round: this intuitive system combines four wide-angle images from cameras at the front, rear and sides of the vehicle to give you a comprehensive bird's-eye view of the space around the Sorento while parking or moving at low speed.

Smart Park Assist System (SPAS): Parallel Entry and Exit and Perpendicular Parking Modes – 'GT-Line S'

This system is designed to help you with both parallel and bay parking as well as reversing. It recognises a suitable parking space, steers, and judges the distance to cars around the Sorento – all you need to do is adjust the speed and change gears accordingly.

Adaptive Headlights – Dynamic Bending – 'KX-3' and 'GT-Line S'

For enhanced visibility at night, the headlights shine light in corners more efficiently as the swivelling headlamps adapt to the steering angle, the weight and the speed of the car.

Speed Limit Information Function (SLIF) – 'KX-3' upwards

This feature uses a camera and navigation system to read speed limit signs along the road, and displays them beside the speedometer and on the navigation screen.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. Images shown are for illustrative purposes only and not to UK specification. Features shown are not necessarily standard across the range.

Smart Cruise Control with Stop&Go Functionality – 'GT-Line S'

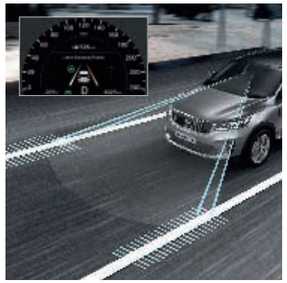
Cruise control has come a long way in the Sorento. Smart Cruise Control uses a radar sensor at the front of the vehicle to monitor the distance to the vehicle ahead. To keep a set safe distance, the system will apply the brakes, and even stop the car, until the vehicle ahead proceeds.

Forward Collision-Avoidance Assist (FCA) – City/Pedestrian – 'GT-Line S'

The FCA system detects both preceding vehicles and pedestrians crossing the road. Using sensors and a camera to monitor the proximity and velocity of vehicles, it delivers a warning to the driver if any potential collision is detected. If there's no driver reaction, the car brakes automatically – avoiding or mitigating any accident.

Driver Attention Warning (DAW) – 'KX-3' upwards

The Driver Attention Warning system monitors your steering wheel, turn signal and acceleration pattern to help keep you focused on the road. If you're losing concentration or showing signs of drowsiness, the system will remind you to take a break with an audible warning and an illuminated coffee cup signal in the cluster.



Lane Keep Assist System (LKAS) – 'KX-3' upwards

At your side to keep you focused: a camera at the front of the car monitors lane markings and, if the driver moves out of the lane unintentionally, LKAS alerts you and even steers you back to your lane.

SAFETY

Driver Assistance

The New Kia Sorento helps you stay aware of what is happening around you and other vehicles, enhancing your comfort and safety. It will also shut off the engine when you are at a standstill in traffic to save fuel.

Blind-Spot Detection (BSD) – 'GT-Line S'

If the Kia Sorento senses a car in your blind spot, the system triggers a visual warning. Should you try to change lane whilst a car is in your blind spot, it sounds an audio alert.

Rear Cross-Traffic Alert (RCTA) – 'GT-Line S'

When reversing out of a parking space or driveway, the system warns the driver if it detects any vehicles crossing your path.

Turn up the excitement

The New Sorento lets you celebrate driving in style. With the perfect sound track – courtesy of the Harman Kardon® sound system (model dependent).

Harman QUANTUMLOGIC™ SURROUND:

▶ QuantumLogic™ Surround Sound technology creates an unprecedented 5.1 channel surround sound listening experience from any mono, stereo, or multi-channel signal source.

▶ Revolutionary new audio algorithms extract signal streams and impulse responses from the original recording and give audio tracks a natural yet controlled sound quality.

▶ It is ready to work with all system architectures and only uses sources from the original material.

Harman Kardon® Premium 10-speaker sound system

To enjoy world-class sound, the 720 watts Harman Kardon® sound system features 10 speakers including Kia's first under-seat subwoofer tucked beneath the driver and passenger seat. Clari-Fi™ technology enhances the digital audio experience while the latest in QuantumLogic™ Surround Sound technology distributes the sound for an authentic, refined multidimensional soundstage throughout the cabin.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimising distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organises info into simple cards that appear just when they're needed.

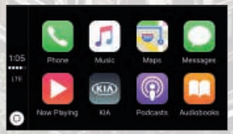
To use AndroidAuto™ you need an Android phone running 5.0 (lollipop) or higher. When you connect your Android phone, AndriodAuto™ will display your applications on the car's screen.

Maps – let Google maps lead the way. It's easy to get to your destination with free voice-guided navigation, live traffic information, lane guidance and more music - with on-demand access to 40 million songs. Google Play music allows you to stream endless music on the road.

Communication – make phone calls or send and receive messages whilst keeping your hands on the wheel.

Voice – just say the word – with superior speech technology which makes controlling everything with your voice fast and easy.

Apps – AndroidAuto™ makes it easy to access your favourite apps and content in your car.



Works with Apple CarPlay

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your car's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

Apple CarPlay features Siri voice control and is specially designed for driving scenarios. It also works with the car's controls - buttons, touchpad or touchscreen and the apps themselves have been reimagined for the car so you can use them safely while your eyes and hands stay focused on the road and the steering wheel. Make calls, return missed calls and listen to voicemail. Siri can help you do all these things, Siri can also read, reply and send text messages for you, so you never have to look at your iPhone while driving. You can also access all your content from iTunes and additional audio apps using your car's built-in controls.

Integrated Memory System (IMS) – 'GT-Line S'
Effortlessly suited to you: stores seat and side mirror positions for two drivers.

Dual automatic air conditioning – 'KX-2' upwards
The dual automatic air conditioning system gives the driver and front passenger separate controls for temperature and ventilation.

Heated steering wheel – 'KX-2' upwards
A great comfort feature for cold days.

Sunshade
Stay cool on sunny days, or add privacy, with a retractable sunshade for the 2nd row door windows.
('GT-Line S')

Electrically folding, adjustable and heated door mirrors with LED indicators
Offered as standard for greater safety and convenience.

Tyre Pressure Monitoring System (TPMS)
TPMS not only warns you if the tyre pressure is too low, it also shows the current pressure for each tyre.

Electric parking brake with auto hold function – 'KX-2' and 'KX-3' auto derivatives only and is a standard feature on the 'GT-Line' and 'GT-Line S'.
Instead of pulling the lever, a simple button activates the brake, for your convenience.

Bluetooth™ with music streaming***
Connect wirelessly between your Bluetooth-compatible devices and the sound system via the built-in microphone.

Cruise control
Adjust cruise control settings without taking your hands off the wheel using these ergonomically designed buttons.

USB charger
Never run out of battery again: simply charge portable devices using the USB charger built into the rear of the floor console.

LED High-mounted brake light
Form and function meet again: the beautifully shaped rear spoiler improves airflow and incorporates a high-mounted brake light.

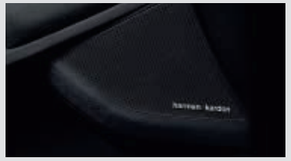
LED rear combination lights – 'KX-3' upwards
These highly visible lights are integrated into the tail light clusters to create a striking finish to the New Sorento design.

Floor console with new gear knob design
The new gear knob is comfortable to the touch, easy to use and just as stylish as you'd expect.

Stainless steel pedals
Add some sporty flair: sturdy, lightweight stainless steel pedals add a performance-style feel ('KX-3', 'GT-Line' and 'GT-Line S').

LED illuminated door sill
Bright and beautiful: low-energy LED lighting illuminates the lower door sill to guide you in and out of the Sorento at night.

Shark fin antenna
Aerodynamic shark fin roof antenna is included with navigation systems.



Harman Kardon™ premium surround system with 10 speakers including 4" central speaker, external amp and subwoofer ('KX-3' and 'GT-Line S')
Ten speakers, an external amplifier and cutting-edge technology such as Clari-Fi™ music restoration and QuantumLogic™ transform any stereo or multichannel audio source into an astounding surround sound experience.

8" Touchscreen Satellite Navigation with European mapping and traffic messaging channel (TMC) – 'KX-2' upwards
Easy to read and just as easy to operate, the navigation system boasts a vivid 8" colour LCD touch screen. It presents routes, shortest path options and other vital information, and is compatible with Android Auto™ and Apple CarPlay™.

7" Touchscreen display with RDS and DAB – 'KX-1'
Touch screen technology and a rear-view camera are included in this comprehensive 7" multimedia system.

Steering wheel mounted controls
Adjust volume or change stations without taking your hands off the wheel – thanks to the intuitively placed steering-wheel-mounted controls.

Auxiliary, USB and MP3 player connections
Set for all types of media: play audio from MP3 players, USB drives and other compatible multimedia devices using the integrated AUX and USB slots.

Panoramic sunroof with automatic electric one touch roll blinds with safety function – 'KX-3' and 'GT-Line S' Let the sunshine in: the large twin-section panoramic sunroof fills the cabin with light and air and adds an even more spacious interior ambience. An electric roller blind is also included.

TECHNICAL EQUIPMENT

Attention to detail

A high level of comfort and quality is at the heart of the New Sorento's highly comprehensive standard equipment.

Details within this brochure are not intended to be a description of the vehicle but are simply a general overview. For a more detailed description please speak to your Kia dealer. If a particular item is important to you, please make sure it is mentioned, in writing, when ordering your car. This disclaimer does not affect your statutory rights. 7 more reasons to join our Kia family

KiaPromise

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise – 7 great owner benefits when you buy your Kia and register at MyKia.

7 YEAR WARRANTY – QUALITY REDEFINED

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

INSURANCE – EXCESS RETURN

If you've taken our complimentary 7 day insurance, we've got you covered from the minute you leave one of our dealers. We'll also give you a £250 excess return voucher which pays you back regardless of who you're insured with if you call Kia first. We will also provide you with a competitive quote for your annual cover.

ROADSIDE ASSISTANCE

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

CLICK & COLLECT

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

SERVICE – ONLINE BOOKING

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

FAMILY-LIKE CARE

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

ACCIDENT AFTERCARE

Available to all Kia owners, whoever your insurer and whatever the circumstances of the accident, Kia Accident AfterCare can take care of things for you. We'll liaise with your insurer, provide a free courtesy car and exercise your right to genuine Kia parts and repairs at a Kia Approved Bodyshop.

Fully unlock these benefits when you register at MyKia
